Sponsorship and Donor Opportunities

Individuals and companies are encouraged to participate in our fund raiser with donations of products, services and cash.

Your donations go directly towards projects. You might like to know that Chinook Pheasants Forever does not have paid staff. Highly qualified volunteers have been working to restore habitat in southeastern Alberta for 19 years and their reward is seeing the return of pheasants and other wildlife.

a chick in spring

just add habitat to

protect it from the elements and predators plus a feeding area results in.... fine roosters.
