Sponsorship and Donor Opportunities

Individuals and companies are encouraged to participate in our fund raiser with donations of products, services and cash.

Your donations go directly towards projects. You might like to know that Chinook Pheasants Forever does not have paid staff. Highly qualified volunteers have been working to restore habitat in southeastern Alberta for over two decades and their reward is seeing the return of pheasants, other upland birds and other wildlife.

Recognition

Contributions to the fund raising efforts are thanked and recognized in a numbers of ways depending on the level of the contribution.
